1005 Triangle Lake Rd.
Howell, MI 48843

Help Us GROW

about the **Howell** **Nature Center...**

Since **1982**, the **Howell Nature Center** has been helping save lives through our wildlife rehabilitation and conservation education programs.

help us **Grow...**

We are seeking sponsors to help fund new and exciting educational and creative displays to further foster conservation, appreciation and respect for our wild friends. To reach this goal, we are creating a beautiful new fieldstone walkway leading to our new **Wild Wonders Wildlife Park** entrance.

Over **80,000** adults and children visit the center annually to observe and learn through our environmental education programs and teaching zoo, the **Wild Wonders Wildlife Park**.

(Engraved flagstone approximate size 20" wide)

Each year over **2,300** injured and orphaned birds, mammals, and reptiles are brought to us for medical care.

For a donation of just \$200, you, your family or a loved one's name will be engraved into a flagstone to become a lasting tribute to your dedication towards wildlife conservation.

Simply fill out the donation form on the back and mail with payment to: **Howell Nature Center, 1005 Triangle Lake Rd., Howell, MI 48843**

Your flagstone donation is **100% tax deductible.**

Thank you for your support!
