Fur, Feathers, and Ferns: Explore the Howell Nature Center with us as we search for signs of wild animals and plants. We'll also discover endangered animals in our area, and how we can do our part in creating a sustainable future.

***A Bear Goes Fishing:** Join us as we learn about the fish in Pleasant Lake, build our own fishing poles, and go fishing!

***Only available April-October**

Please Note: Our preference for workshops is that the Scouts earning the badges and a responsible adult are the only ones to attend. It's often easiest for a Leader to bring the Scouts and be that responsible adult. By doing this, Scouts are better able to focus on satisfying the badge requirements within the limited time our staff have to spend with them.

Packing List:

- Signed Minor Waiver for each Scout, leader and/or parent/chaperone Adult Waiver Comfortable closed-toe walking shoes
- Outdoor clothing – Be ready for rain or shine!

Outdoorsman: Pitch your tents in this amazing adventure at the Howell Nature Center. We'll also learn advanced knots, and put on a show at our closing campfire. Overnight camping is available—contact us for more information!
