The Howell Nature Center (HNC) prioritizes the health and safety of its guests, staff, interns and volunteers. HNC has put in place updated health and safety protocols to mitigate the spread of COVID-19. With that in mind, HNC has modified the Scout programs for 2020.

The New Protocols Include:
- Temperature checks and screening of all scouts by HNC Staff
- Keeping different dens/troops separate
- Sanitizing of equipment between groups
- HNC staff will wear face mask or covering when assisting in health screenings, indoors, and outdoors when unable to keep 6 feet of social distance with others
- Workshops now are 1.5 hours long
- After your scheduled workshop, Scouts can go on a self-guided tour of Wild Wonders
- Cost is $12 Per Scout
- For our overnight Scout packages, eliminate the catered meal options.
